## Annual Report

We are happy to present the Report for the period April 2015 - March 2016. To commemorate the 125th Anniversary, many programmes and activities were conducted even in other districts and it generated good publicity to the YMCA Jaffna. To enhance our activities the following new committees were appointed such as for Education, Human Resource and Vulnerable Community Service.

The Building was refurbished, repainted and thus now gives a good look at present. A new Office setup was created and it was declared opened by the President Mr.R.Vinoth on 19<sup>th</sup> August 2015.

As an improvement, a study was made on our present accounting practices to be on par with presentday mandatory accounting principles. This was done to highlight shortcomings and make the accounting more efficient and effective.

A deficit balance was shown in the Income Statement for the period April 2015 - March 2016. This was due to the expenditure on account of 125<sup>th</sup> Anniversary Celebrations.

We are very much proud to record that the Jaffna YMCA has been selected as the BEST YMCA for the year 2015 under the Presidentship of Mr.R.Vinoth.
